SIVA LIKHITHA VATTAMWAR

Sri Yagnaa Pooja Samagri Stores was founded and is led by Mrs. Siva Likhitha Vattamwar, a passionate woman entrepreneur who transformed her vision into a thriving retail brand.

With an academic background in Civil Engineering, she began her professional journey with a strong foundation in planning, discipline, and execution. However, her interest in business and her deep connection with tradition and devotion inspired her to build something meaningful for customers.

In 2016, she started Sri Yagnaa with the aim of creating a reliable destination for authentic pooja samagri—where customers could find everything they need for daily pooja, festivals, weddings, and spiritual occasions. Through consistent hard work, customer-first thinking, and a strong focus on quality and availability, she successfully built Sri Yagnaa into a trusted retail chain.

Today, she is recognized as a strong women-led entrepreneur, inspiring many with her journey of building a brand grounded in faith, trust, and service.
